

## We Need Lab Supplies!

The Science department is in need of lab supplies and equipment for student use in classrooms. JSAA currently does not have the financial means to purchase the supplies and equipment necessary to provide our students with the best, most enriching science education possible. Therefore, we are requesting a lab fee to help purchase needed supplies. The suggested lab fee is \$5.00. Please fill out the form below and put your lab fee in an envelope with the completed form to be returned to your child's science teacher. Please make all checks out to JSAA, and note "science department" on the memo line. Your child's science teacher will send a receipt of the lab fee submission home with your child.

Thank you in advance for your support.
